October Prayer Letter

WOW! Where has the time gone? It truly is a vapor. Praise the Lord to be able to serve the Lord with our Life. Our sincerest apologies for the lapse of time between letters. Our days have been very full and often very long. Thank you so much for your prayers for us, please continue to pray for strength and Godly wisdom for our family as we minister here in Southern Virginia.

"**The House The Lord Built**:"

Praise the Lord! We are in "the dry" and the roof should be completed soon. (see photo) We have completed Phases 1-3. Praise the Lord!!! Thank you for your prayers and giving. The Lord has been providing.

We are active in Phase 4. After the roof is on, we will start on electrical, plumbing, insulation and of course the siding. Everything is going the correct direction, often slow, but still moving. We praise the Lord! If you want to come and help for a day, we would enjoy having you and probably would buy you some Bojangles :)

Pray for us, as we pay off the trusses. There is around $4K remaining and also as we purchase the upcoming needed materials and services.

Thank you to everyone that has prayed and given to help build our house. Our Lord has used you greatly to help and encourage us.

Family:

Jacob and Tyler (newly graduated from HS) have been doing great with the family business. Tyler will turn 18 on October 20th… wow! He and Jacob are great young men! Charity, Hannah and Samuel are in full swing of homeschool and all three are doing great! Charity is working extra in hopes to graduate early, but there is still some time as she started 9th grade this year.

Ginger and I, are enjoying this season of life and ministry. As the children are becoming older and more independent, I appreciate the fact, that we are able to enjoy some ministry opportunities together.

Ministry:

Ministry has being doing great! We are enjoying ministering through our new building, here in Bracey. We have experienced some healthy growth. We have had church family often bring their own family to church. This happens multiple times a month. It is very encouraging. Pray for each of them.

We have had to navigate through some financial adjustments with the new building the past eight months. We are heading in the correct direction and are beginning to be where we need to be. Thank you for your prayers.

We had another great revival back in August. Many decisions for the Lord. We have a couple that wants to help start up a transportation ministry. This ministry has been on my heart for this couple, but I never shared that with anyone. After the revival, they said, "I believe the Lord wants us to start picking up people for church" AMEN and Praise the Lord! So we will use our vehicles until we find something else. Maybe someone has a full size van or minibus they can donate. We again trust the Lord! The other decision, was from another couple that are also members. He was saved here and she re-dedicated her life to the Lord here back when we first began. In short, they said they wanted to start coming to our Wednesday night Bible study. Praise the Lord! They have been faithful to Sunday Am and Wednesday night services.

Praise the Lord and thank you so much for serving the Lord with us. Pray for souls to be saved as we minister here in rural America, Bracey, VA.

- Happy Trails!! -
