Baltimore BAPTIST CHURCH

Pedro & Trina Morales
SEPTEMBER 2026

September was filled with celebration and fun events. Here is a summary of what God did at BBC this past month!

- **September 13th** - We had the privilege of hosting Pastor Adam Nathanson. He led our church through a Biblical prayer seminar. He taught the first session in a combined Sunday school class in our church auditorium. The second session took place during our morning service. The church provided lunch for all who stayed for the third session. The last session took place after lunch. It was a blessing to have him with us!

- **September 20th -** This was a huge day as we celebrated our 4th anniversary since the launch of our church! To celebrate, we watched our annual "Year in Review" video compiled with all the special moments and growth from the previous year. We also had cake and punch after the morning service. We honored our most recent Sidewalk Advocates for Life training graduates. Three new advocates received certificates and are now ready to participate in this exciting ministry. On this same day, we had a young man join our church! Andrew Richardson has attended our services only a few times, but he was ready to join our congregation as a member. He will be discipled and mentored by Pastor Morales to help prepare him for God's calling on his life, which is to become a preacher.

- **September 26th -** We had a wonderful time fellowshipping at a local bowling alley. Several of our church members gathered to compete, have a meal together, and enjoy each other's company. Everyone had a great time!

Please continue praying for: the salvation of souls, discipleship, church growth, a piano player, our future church plant, and **financial help to replace our AC system**.

Your contributions make all this possible. Thank you for being a blessing!

Ephesians 4: 11-12 "And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers; For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ:"

With gratitude,
Pedro & Trina Morales
