April 1st, 2026

We are still serving here the Lord here in the Grassfield area of Chesapeake! We plan to continue on till Jesus comes back! We will do our job and keep plugging away and I know you will as well in your area!

We had our annual Friend Day on March 15th, and it was a huge success! We were able to see 6 souls saved that day! Our people all worked hard, and the Lord blessed our efforts with 25 visitors and 64 total in attendance for the Sunday morning service. We had prayed specifically that the Lord would bring some new families to our church and we would have some fruit that remained. So far we have had 2 of the visiting families return faithfully over last couple weeks!

The Lord has also allowed us to minister to them in a special way as we will be attending a funeral this next week for their mom. She was a sweet lady with a profession of salvation and I am honored to be able to open her celebration of life service in prayer.

Also I wanted to report that soulwinning still works! We have seen several souls saved in March thru our weekly soulwinning efforts. God's word will not return void and it works if you will work it!

Pray for our church as we have been given the opportunity to purchase our building this year for $250,000. Pastor Philip Bishop and the Lighthouse Baptist Church has promised us a match fund of $30,000 if we can raise that amount. God is good! I was expecting to wait till next year but God is wanting us to make that step sooner!
